Newton South Little League is committed to a positive coaching experience. Please help us to evaluate how well we did this season by telling us about your manager and coaches. We want our managers and coaches to strive at getting better in their responsibility within the league. This form is modeled after the Positive Coaching Alliance format. *A positive Manager/Coach:* • ***Honors the Game*** by showing respect for the Rules, Opponents, Officials, Teammates and one's Self. • ***Redefines "Winner"*** in terms of Mastery as well as the scoreboard by emphasizing effort, learning and improvement, and rebounding from mistakes rather than fearing them. • ***Fills "Emotional Tanks"*** via positive encouragement so players can play their best.
